1288 BROUGHTON ST, #604
VANCOUVER, BC
V6G 2B5, CANADA

OBJECTIVE

To be part of a creative team that allows me to contribute my design skills and ideas in the development of conceptually based visual experiences. I am determined to push the boundaries of my abilities and to grow as a designer, illustrator and typographer.

EXPERIENCE

Normal Design // AUG 07 – MAY 09

Partner & Principal Designer. Vancouver, BC

As a partner in a two person studio, I was required to work on all project stages; project planning, client relations, project management, concept generation and production. Projects worked on include branding, advertising, layout, illustration, motion graphics and web design. Client list includes Tribal DDB, Vancouver Coastal Health, Vancouver School Board, 604 Records, amongst others.

Freelance // DEC 04 – JUL 07

Graphic Designer. Vancouver, BC

Commissioned to do a variety of design projects including illustration, logo creation, wedding invitations and web design. In addition, I pursue various self-initiated projects including illustration, poster design, motion graphics and photography.

Visa International // OCT 05 – DEC 05

Member Services & IT Assistant. Sydney, Australia

Assisted Visa members & provided support for the IT department.

Abgenix Biopharma Inc. // AUG 01 – NOV 04

Research Associate II. Burnaby, BC

Performed laboratory research in the development of therapeutic pharmaceutical drugs.

SKILLS

Trained in the use of traditional graphic design compositional principles including alignment, emphasis, grouping, placement and visual flow. Skilled in the use of graphic design components including typography, colour and supporting elements. I do both hand drawn and vector illustrations and have a passion for custom typography.

ONLINE PORTFOLIO

www.davidmurawsky.com

Featuring a selection of graphic design and illustration works ranging from communication design, motion graphics and web design.

EDUCATION

Vancouver Film School // AUG 06 – AUG 07

Vancouver, BC, Canada

Digital Design Diploma with Honours.

Focus on communication design. Additional training in interaction, motion graphics and project management.

University of British Columbia // SEPT 96 – MAY 01

Vancouver, BC, Canada

Bachelor of Science.

Major in Cell Biology and Genetics.

TOOLS

Currently using Adobe CS4 on a Mac, I am also fluent with a PC; proficient in Photoshop, Illustrator, InDesign, Flash, Dreamweaver and After Effects. I have had some experience with Cinema 4d. I can code web standard XHTML, CSS and Actionscript. Photography remains a hobby, but goes hand in hand with graphic design so I find it comes in handy for project work from time to time. I still find a trusty pencil, pen and paper the most versatile tools available to a graphic designer.

AWARDS & ACHIEVEMENTS

2007 – Adode Design Achievement Award(ADAA) Semi-Finalist in the Motion Graphics category.

2008 – Design 21 Millenium Promise Competition Finalist and Honourable Mention.
